POWERSHELL SATURDAY

...AND SUNDAY TOO!

Saturday, Sept. 21, 2019

NC State Campus, Raleigh, NC

PowerShell Saturday is a full day of learning hosted by the Research Triangle PowerShell user group. We have 18 speakers lined up to talk about all areas of PowerShell

Topics include:
PowerShell 101, Scripting Tools, DevOps, CyberOps, Managing AWS & Azure "Cloud", Git, .Net, SQL and more!

Sunday, Sept. 22, 2019

NC State Campus, Raleigh, NC

Join us for a 6 hour PowerShell cybersecurity session with Security expert **Fernando Tomlinson** on Sunday, September 22nd.

Fernando is a CyberOPS Technical Director for the US Dept of Defense. He will be sharing CyberOps defensive and offensive techniques in use today.

Learn how PowerShell is being used for good and bad with the filesystem, Active Directory, Group Policy and more! **LIMITED SEATING AVAILABLE!**

ALL TICKETS INCLUDE:

Event admission • breakfast • lunch • snacks

Spend the day networking with fellow IT pros and have a chance to win some free giveaways!

One-day pass: $75

Two-day pass: $125
